

LUCA SAVI
CHIEF EXECUTIVE OFFICER AND PRESIDENT, ITT INC.

Luca Savi is Chief Executive Officer and President of ITT Inc. He previously served as President and Chief Operating Officer, where he worked closely with the company's three business segments to implement sustainable management systems that drove operating margin expansion, working capital improvements and overall business performance for the global multi-industrial company.

Luca joined ITT in 2011 as President of the company's Motion Technologies business. In that role, he led the development of strong operational and talent capabilities, revenue growth of more than 50 percent, global expansion in China and North America, and customer-centric innovation such as the ITT Smart Pad.

Previously Luca held several key leadership roles in Italy, China and the United States for Comau, a subsidiary of the Fiat Group. He also formerly held senior roles at Honeywell International.

He began his career as an engineer with Royal Dutch Shell and Ferruzzi-Montedison Group. Luca has a degree in chemical engineering from the Politechnic of Milan in Italy and an M.B.A. from London Business School.
